TRAVEL

Far West travels to exciting world-renowned locations to explore, ski and soak up the local culture. Our trips are thoroughly planned and well organized. Trips are structured to make it easy to meet up, party and keep abreast of all event activities.

We offer annual North American Ski Weeks, an International Ski Week, Dive trip, Cruise and adventure trips.

SCHOLARSHIPS

Far West awards Athletic Scholarships to developing Alpine ski racers participating in programs within the Far West geographic region.

Scholarships assist athletes who are committed to pursuing a competitive Alpine racing program. Scholarship funds are used to offset training expenses and competition entrance fees.

RECOGNITION

Far West has a sophisticated and far reaching recognition program. The earliest awards documented started almost 50 years ago, in 1966.

Currently, the program enjoys recognition by the Western SkiSport Museum located at Boreal Ridge, CA. The museum maintains a display of award recipients and archives

PUBLICATIONS

Far West produces five major publications throughout the year. Each one has a different target audience beyond our membership. All are geared towards skiing and boarding in the Far West region.

- *The Councilman*
- Far West News Flash
- Far West Delegate Book
- Far West Awards Book

COMMUNITY

Far West promotes charity and community involvement through our councils and clubs. A portion of the proceeds from our annual Silent Auction is donated to a local adaptive sports program.

Far West works closely with the not-for-profit **Far West Ski Foundation** in support of Athletic Scholarships, Women's Ski Jumping USA, Disabled Sports, the preservation of snowsports history and more.

CONVENTION

Far West Ski Association hosts an annual convention, typically held the second weekend of June. The convention changes location from year to year and is hosted by the local council and ski clubs. The weekend features special guests, celebrities and our very supportive ski industry partners.

In addition to the business aspects of the convention, there's a fun side, too.

The convention kicks off on Thursday night with a Pub Crawl. It's a great way for the ski industry and delegates to meet and greet on an informal basis.

On Friday morning there is a myriad of opportunities for play. Typically, we offer

golf, hiking, rafting, spa treatment, wine touring or activities unique to the area. Afterwards, we meet at the pool for a sponsored party.

On Friday evening there is a Silent Auction, Happy Hour and Ski Show. The event is open to the public. On Saturday we get down to business

with a Travel Expo, panels and program meetings, Snowsports Leadership Academy, Awards Luncheon, a Keynote Presentation, Cocktail Party and Awards Dinner and Dance.

Business continues on Sunday with elections, club and council awards, reports and a brunch.
