

Nancy Kelly

Hans Georg Award 2005

Years of service: 36 Years

Citation: Nancy has been a ski club member for 36 years. She joined the Alpineer Ski Club in 1969. While a member she was served as President (2), Vice President/Lodge Manager (3), Secretary, and represented the club at the Council level. She is now a member of Castro Valley Ski Club and Modesto Ski Club.

Nancy was FWRA Open League Race Chairman for seven years. The league always had 350 to 400 racers and most race days fielded 250 or more racers. She was certified level 1 referee

Upon ending her years as the League Director Nancy took on the position of FWSA Treasurer.

Nancy has served the FWSA Board of Directors in the capacity of Treasurer for the last ten (10) consecutive years. She often goes beyond the call of duty to provide treasurer and audit duties to the FWSA Convention committee. Her unselfish and tireless devotion to duty, is often displayed during the annual FWSA Convention. The environment she often works within is often extremely demanding and stressful. During the silent auction, Nancy and her team, are continually bombarded with auction bid paperwork and credit cards. Several conversations are constantly going on simultaneously while Nancy processes the paperwork. Nancy and team are constantly interrupted. Nancy's ability to keep things under control is truly amazing. Nancy takes pride in her work.

During the FWSA Board of Directors meetings, Nancy is working to prepare a budget, update the treasurers report, receive reimbursement forms, issue checks and participate in the current meeting. Her ability to multi-task separates Nancy from most. She is very pleasant, cooperative, helpful and a team player. The task of treasurer is difficult and complex. Nancy makes it look easy.

Nancy is constantly busy during the FWSA Board Meeting and annual Convention. While others are enjoying the social opportunities at the board meeting and convention, Nancy is behind the scenes working to keep the financial details moving forward. Others are provided an opportunity to rest, relax and enjoy, while Nancy continues to crunch numbers, organize paperwork, write checks, review contracts and provide reports.

The treasurer's reports Nancy produces display a high degree of professionalism and expertise. It is critical to the organization that the treasurer's report and budgets be completely accurate and detailed. She understands the importance of timely and accurate details. The treasurer's position requires a special skill, i.e., computer, listening and writing. Nancy has them all. The fact she has stayed 10 years on the Board of Directors says something about her high degree of dedication towards the Far West Ski Association.

Nancy can be found on most FWSA Ski Weeks. She enjoys the travel and friendship of FWSA. As you can see, Nancy is an ideal candidate and worthy of the Hans Georg Award
