The Ports of Call

Cabo San Lucas, Mexico

Once referred to as the "millionaire's sandbox," Cabo San Lucas is Mexico's jewel resort at the very tip of the Baja Peninsula. Its remote location and unspoiled beauty make this a seaside paradise.

Acapulco, Mexico

Acapulco was first settled in 1550 and for many years was a major Mexican shipping port. Attracted to its perfect sunsets, clear waters

and many white-sand beaches, visitors began flocking to Acapulco in the 1920s. Visitors still thrill to the sight of Acapulco's intrepid La Quebrada cliff divers, who routinely risk their lives by leaping from the 130-foot-high rock formations into the surf below. Its legendary nightlife makes it a required port of call for the complete Mexican cruise adventure.

Huatulco, Mexico

Once a haven for pirates and weary sailors traveling from the Far East, today Huatulco (pronounced wah-tool-co) is a relatively undiscovered port of call. Located on the Pacific Coast in the Mexican state of Oaxaca, it's one of the first destinations in the western hemisphere to focus on eco-tourism and the protection of natural resources. And with 22 miles of jagged coastline, pristine beaches and spectacular crystal-clear waters – it's easy to see why.

Puntarenas, Costa Rica

Tiny Puntarenas, on the Pacific Coast of Costa Rica, is situated between the volcanic beaches of the Golfo de Nicoya and some of the country's highest mountain peaks. Within a half-hour's drive from the port, tropical jungles give up their secrets to the casual observer. Trees flash with color as macaws, toucans and parakeets take flight, and howler monkeys scream in the distance. In the capital city of San Jose, you'll find museums, theaters and shops.

Oranjestad, Aruba

Located on the picturesque southern coast, Oranjestad is the historic Dutch capital of Aruba, where the traditional, tall, multicolored houses combine carved wooden doors and typical Dutch tiles with open-air patios. The charm of the city complements the beauty of this popular Caribbean island where the Dutch and indigenous cultures have merged to give Aruba its unique atmosphere. Today's visitors can enjoy this culture along with beautiful beaches, excellent snorkeling and exciting nightlife.
