

Hans Georg Nomination

Nancy Ellis

Nominated by:
Jo Simpson
Gloria Raminha

Nancy Ellis is and has been a tireless worker for the Far West Ski Association. Nancy has volunteered for more jobs and tasks within FWSA than we can count! Here are just some of the things Nancy has done for the organization over the past years: Since 2006, Nancy has been involved with FWSA Travel when she joined the North American Travel Staff. She has served as Vice President North American Travel since 2013. This position in itself is a fulltime job managing the FWSA North American Ski Week, the Mini Ski Week and a bi-annual adventure trip.

She co-chairs the Travel Team with Debbie Stewart, VP International Travel and the Travel Executive Team that develops policy and procedures for the FWSA travel program.

While managing the current year ski week she is also soliciting bids for the following year's trip, which involves juggling multiple balls.

And if those weren't enough balls to keep in the air, she also oversees the development of the FWSA Operations Manual along with Tom Bundgard. This project started with a SWOT (*Strengths, Weaknesses, Opportunities & Threats*) analysis conducted with the FWSA Board of Directors by Nancy and Cindy Krupp in 2016. Nancy has worked tirelessly with the various committees to help them to develop their chapters in the manual.

Nancy also assists her husband Bob, FWSA VP Racing, manage the FWSA racing program. The program conducts the yearly championship races and races at the FWSA North American Ski Week and procures insurance for council race leagues and FWSA races.

Nancy Ellis has been an outstanding volunteer and has shown tremendous dedication to Far West Ski Association and the sport of skiing. It is now time to show Nancy our appreciation for her hard work and dedication to snow sports and FWSA by providing her the recognition she so deserves by presenting her with the *Hans Georg Award*.
